

Welcome . . .

All Episcopal women in Arkansas are invited to the ECW Fall Gathering. The meeting will offer fellowship, sharing, and spiritual enrichment. It will be a wonderful opportunity to see old friends and make new ones. St. Francis has a special weekend planned for us in a very beautiful setting. I'm looking forward to seeing familiar and new faces. Make yours one of them!

God's peace and love,
Susan Carter, President

The women of St. Francis Episcopal Church invite the women of the Diocese of Arkansas to the annual Fall Gathering, to be held in Heber Springs this year. We look forward to hosting our dear friends from across the state as we join together in fellowship and worship.

See you November 4-5!

"Few journeys run a straight course toward youth's dreams. The bumps, bruises, shocks and surprises may be the gifts which guide our journeys, both material and spiritual, to higher ground and the joyful path which God offers all people. Always there is a choice."
- *Judith Baum*

Judith Baum's journey into spirituality began after retiring from NPR in Washington, D.C. She has worked as a tireless volunteer, focusing on her experiences in communications and spiritual formation.

Spiritual growth for Judith has included Bible study and morning prayer, reading spiritual writings, seeking out other seekers, and especially contemplative prayer.

You can read some of Judith's spiritual experience in *Wisdom Found: Stories of women transfigured by faith*. Copies may still be available at the Christ Church Bookstore. Judith is one of the "Forty spirited women (sharing) life's most profound joys, and its deepest sorrows—echoes of your own experiences, told sometimes in shouts, often in whispers, but always in voices luminous with faith and wisdom."
